## **2009 Ferrari 430 Scuderia, The Ultimate Driving Machine**

### **Unrivaled Luxury and Performance**

Welcome to Exotic Cars Dubai, your top spot for the world's most exclusive supercars and luxury vehicles. We proudly present this exceptional 2009 Ferrari 430 Scuderia, a track-focused masterpiece that captures Ferrari's racing essence in a road-legal car. This pre-owned model features a sleek black exterior paired with a purposeful black interior, enhanced by extensive carbon fiber accents for lightweight precision.

### **Incredible Power and Speed**

The 430 Scuderia is made for purists who seek top-notch performance. Under the hood, it has a naturally aspirated 4.3-liter V8 engine that produces 503 horsepower and 470 Nm of torque. It accelerates from 0 to 60 mph in just 3.6 seconds and reaches a top speed of 198 mph (319 km/h). The F1-SuperFast2 automated manual transmission and race-ready suspension provide fast gear shifts and unmatched track agility.

### **Exquisite Exterior Design**

Finished in black, the 430 Scuderia's aerodynamic bodywork showcases both elegance and aggression. Lightweight carbon fiber components, a vented front bumper, modified side skirts, and a rear diffuser increase downforce. Notable features include 19-inch lightweight racing wheels, titanium exhaust tips, and Ferrari's iconic Scuderia shields on the fenders.

### **Luxurious and Sophisticated Interior**

Inside, the black interior focuses on reducing weight while maximizing performance. Alcantara-trimmed racing seats, exposed carbon fiber panels, and four-point harnesses highlight its track-ready character. The simplified, driver-focused cockpit ensures that every detail is aimed at enhancing the driving experience while maintaining Ferrari's craftsmanship.
