Incredible Power and Speed

The DB12 Volante is built for those who crave the excitement of open-air driving without losing performance. Under the hood, you'll find a 4.0-liter twin-turbocharged V8 engine that delivers 671 horsepower and 800 Nm of torque. It accelerates from 0 to 60 mph in just 3.6 seconds, reaching a top speed of 202 mph. The adaptive suspension, electronic rear differential, and Aston Martin's advanced dynamics provide precise handling and grand touring comfort.

Exquisite Exterior Design

Dressed in grey, the DB12 Volante features a timeless shape with bold, modern details. Key features include a wider stance, signature Aston Martin grille, sleek LED headlights, 21-inch forged alloy wheels, and a soft-top roof that retracts in just 14 seconds. The result is a convertible that radiates elegance and a commanding presence on any road.
