2024 Lamborghini Huracan Sterrato, The Ultimate Driving Machine

Unrivalled Luxury and Performance

Welcome to Exotic Cars Dubai, your top spot for the world's most exclusive supercars and luxury vehicles. We are excited to show you this exceptional 2024 Lamborghini Huracan Sterrato, a rare supercar designed for off-road adventure. It combines Lamborghini's iconic V10 performance with rugged capability. This lightly used model features a striking Green exterior and a custom Green and Black interior, making it bold both inside and out.

Incredible Power and Speed

The Huracan Sterrato is built for those who crave adrenaline on and off the road. Under the hood, you'll find a naturally aspirated 5.2-liter V10 engine that produces 602 horsepower and 565 Nm of torque. It goes from 0 to 60 mph in just 3.4 seconds and reaches a top speed of 260 km/h. Equipped with all-wheel drive, rally-inspired suspension, and increased ground clearance, the Sterrato offers Lamborghini thrills on any terrain.

Exquisite Exterior Design

Dressed in a bold Green, the Sterrato features muscular lines along with rugged off-road details and aerodynamic improvements. Highlights include raised fenders, a roof-mounted air intake, LED rally lights, 19-inch off-road wheels, and protective body cladding. Its aggressive stance and unique design elements set this Huracan apart in Lamborghini's history.

Luxurious and Sophisticated Interior

Inside, the Green and Black leather and Alcantara cabin reflects Lamborghini's motorsport DNA with a custom touch. Bucket-style sport seats, carbon fiber trim, and rally-inspired controls create a driver-focused atmosphere. Lamborghini's innovative digital cockpit provides intuitive control, while unique Sterrato badging adds exclusivity.

Explore Our Collection at Exotic Cars Dubai

At Exotic Cars Dubai, we focus on finding and showcasing the most desired supercars and luxury vehicles in the world. Our carefully curated collection includes rare hypercars, limited-production icons, and collector-grade masterpieces. Each vehicle is thoroughly inspected to meet high standards.
