## **2019 Lamborghini Huracán Performante, The Ultimate Driving Machine**

### **Unrivaled Luxury and Performance**

Welcome to Exotic Cars Dubai, your top choice for the world's most exclusive supercars and luxury vehicles. We proudly present this stunning 2019 Lamborghini Huracán Performante, a track-ready masterpiece built to excel on both the road and the track. This pre-owned model features a breathtaking Blue exterior paired with a sporty Black and Yellow interior. It showcases a lightweight design and race-proven technology.

### **Incredible Power and Speed**

The Huracán Performante is equipped with a naturally aspirated 5.2-liter V10 engine that delivers an exhilarating 640 horsepower and 600 Nm of torque. It accelerates from 0 to 100 km/h in just 2.9 seconds, reaching a top speed of over 325 km/h. The responsive 7-speed dual-clutch transmission and all-wheel drive system offer precise handling, while the innovative Aerodinamica Lamborghini Attiva (ALA) active aerodynamics system provides exceptional downforce and stability.

### **Exquisite Exterior Design**

The Performante's striking design, finished in Blue, is enhanced by aerodynamic carbon fiber components, including the front splitter, rear diffuser, and fixed rear wing. Forged composite accents, matte black wheels, and yellow brake calipers create a distinct motorsport look. Every detail, from the sculpted lines to the ALA aero system, aims to maximize both performance and presence.

### **Luxurious and Sophisticated Interior**

Inside, the cabin showcases a bold Black and Yellow design made from Alcantara, leather, and forged carbon fiber. The racing seats feature yellow contrast stitching, and Lamborghini's digital cockpit offers driver-focused telemetry and infotainment. Lightweight materials highlight its racing heritage, while every feature maintains Lamborghini's signature luxury.
