2013 Lamborghini Gallardo Performante Spyder, The Ultimate Driving Machine

Unrivaled Luxury and Performance

Welcome to Exotic Cars Dubai, your top spot for the world's most exclusive supercars and luxury vehicles. We are excited to present this rare 2013 Lamborghini Gallardo Performante Spyder. This open-top supercar blends Italian racing spirit with striking design. This pre-owned model features a sleek white exterior and a focused black interior, offering a pure and thrilling driving experience.

Incredible Power and Speed

At the core of the Gallardo Performante Spyder is a naturally aspirated 5.2-liter V10 engine that generates 562 horsepower and 540 Nm of torque. It goes from 0 to 100 km/h in just 3.9 seconds and reaches a top speed of 324 km/h. With a 6-speed e-gear automated manual transmission, advanced aerodynamics, and lightweight construction, this supercar is built for outstanding performance.

Exquisite Exterior Design

The white exterior highlights Lamborghini's sharp, angular design. Carbon fiber elements, including the rear diffuser, side mirrors, and lightweight parts, reduce weight while enhancing the car's aggressive look. The black soft top, Y-shaped LED headlights, and 20-inch alloy wheels enhance its sporty yet elegant style. This convertible looks as fast as it drives.

Luxurious and Sophisticated Interior

Inside, the black leather and Alcantara cabin is simple yet luxurious, designed for performance lovers. Carbon fiber trim runs across the dashboard and center console, emphasizing its racing heritage. Lightweight sport seats, contrast stitching, and Lamborghini's signature driver-focused controls create a cockpit designed for precise driving without sacrificing comfort.
