Unrivalled Luxury and Performance

Welcome to Exotic Cars Dubai, your top choice for the world's most exclusive supercars and luxury vehicles. We are excited to present the 2026 Rolls-Royce Cullinan Silver Badge, a new take on the world's most luxurious SUV. This model features an exquisite Emperador Truffle exterior and a distinctive Yellow and Ivory interior, blending innovation with classic Rolls-Royce elegance.

Incredible Power and Speed

The Cullinan Silver Badge builds on the strong foundation of Rolls-Royce performance. It is powered by a 6.75-liter twin-turbocharged V12 engine, generating 600 horsepower and 900 Nm of torque. It accelerates from 0 to 100 km/h in just 4.9 seconds. The updated chassis, all-wheel drive, and four-wheel steering provide exceptional stability and agility, while Rolls-Royce's renowned Magic Carpet Ride delivers smooth comfort.

Exquisite Exterior Design

The Emperador Truffle finish enhances the Cullinan's impressive presence with a deep, sophisticated tone unique to this Silver Badge edition. Exterior features include the polished chrome Pantheon grille, 22-inch alloy wheels, laser headlights, and coach doors with illuminated entry sills. Subtle Silver Badge accents set this model apart as a modern evolution of Rolls-Royce SUV design.

Luxurious and Sophisticated Interior

Inside, the Yellow and Ivory leather interior creates a striking but harmonious atmosphere. Rear passengers enjoy reclining lounge seats, a rear entertainment system, and a custom audio package for a rich sound experience. Options for rich carbon fiber or wood veneer, an ambient starlight headliner, and precisely crafted controls add to the sense of tailored craftsmanship. Every detail is designed for maximum personalization.
