2024 BMW XM Hybrid V8 – The Ultimate Driving Machine

Unrivaled Luxury and Performance

Welcome to Exotic Cars Dubai, your premier destination for the world's most exclusive supercars and luxury vehicles. We are proud to present the 2024 BMW XM Hybrid V8, BMW's bold entry into the world of high-performance hybrid SUVs. This new example is finished in a sleek White exterior paired with a refined Black interior, combining electrified efficiency with BMW M engineering.

Incredible Power and Speed

The BMW XM is powered by a 4.4-liter twin-turbocharged V8 engine paired with an electric motor, delivering a combined output of 644 horsepower and 800 Nm of torque. It accelerates from 0 to 100 km/h in just 4.3 seconds, with a top speed of 270 km/h. With its plug-in hybrid system, it also offers an electric-only range of up to 80 km, combining eco-conscious driving with uncompromised performance.

Exquisite Exterior Design

Finished in White, the XM makes a bold statement with its aggressive stance and futuristic design. Highlights include the illuminated kidney grille, split LED headlights, 23-inch alloy wheels, and muscular proportions. Distinctive M-badging and quad exhaust outlets underscore its identity as a flagship BMW M model.

Luxurious and Sophisticated Interior

Inside, the Black leather interior offers BMW's signature combination of driver-focused performance and luxury. Features include M-specific sport seats, ambient lighting, carbon fibre or wood trim accents, and BMW's curved digital display with the latest iDrive 8 system. Rear passengers enjoy spacious seating, premium materials, and advanced comfort features. The cabin blends cutting-edge technology with luxury tailored for both driver and passengers.

Explore Our Collection at Exotic Cars Dubai

At Exotic Cars Dubai, we specialize in sourcing and showcasing the most sought-after supercars and luxury vehicles in the world. Our carefully curated collection includes rare hypercars, limited-production icons, and collector-grade masterpieces—each thoroughly inspected to meet the highest standards.
