2016 Lamborghini Aventador Pirelli Edition – The Ultimate Driving Machine

Unrivalled Luxury and Performance

Welcome to Exotic Cars Dubai, your premier destination for the world's most exclusive supercars and luxury vehicles. We are proud to present the rare 2016 Lamborghini Aventador Pirelli Edition, a special edition supercar created to celebrate Lamborghini's historic partnership with Pirelli. This pre-owned collector's model comes finished in a pristine White exterior paired with a refined Black interior, combining exclusivity with sheer performance.

Incredible Power and Speed

The Aventador Pirelli Edition is powered by a naturally aspirated 6.5-liter V12 engine, producing 691 horsepower and 690 Nm of torque. It accelerates from 0 to 100 km/h in just 2.9 seconds, with a top speed of 350 km/h. Paired with a 7-speed ISR transmission and all-wheel drive, it delivers uncompromising speed and handling precision worthy of its limited-edition status.

Exquisite Exterior Design

The White finish is complemented by distinctive Pirelli Edition styling cues, including contrasting black roof panels, special Pirelli badging, and red-accented detailing. Carbon fibre elements enhance aerodynamics, while 20/21-inch alloy wheels wrapped in Pirelli tires underscore its motorsport heritage. Sharp lines and aggressive intakes make this Aventador an unmistakable presence on the road.

Luxurious and Sophisticated Interior

Step into the Black leather and Alcantara interior, highlighted with red stitching and Pirelli logos, making it both exclusive and performance-focused. The cabin features carbon fibre trim, sport bucket seats, and Lamborghini's signature digital driver display. Every detail is designed to immerse the driver in a motorsport-inspired atmosphere while retaining Italian luxury.
