2024 Lamborghini Revuelto – The Ultimate Driving Machine

Unrivalled Luxury and Performance

Welcome to Exotic Cars Dubai, your premier destination for the world's most exclusive supercars. We are thrilled to introduce the 2024 Lamborghini Revuelto, Lamborghini's groundbreaking V12 hybrid supercar that redefines the future of performance. This brand-new marvel features a sleek White exterior paired with a stunning Black + White interior, combining avant-garde design with hybrid innovation.

Incredible Power and Speed

At the core of the Revuelto lies a 6.5-liter naturally aspirated V12 engine coupled with three electric motors, producing a combined 1,001 horsepower. It accelerates from 0 to 60 mph in just 2.5 seconds and reaches a top speed of 217 mph. The advanced eight-speed dual-clutch transmission and electric torque vectoring deliver unmatched control, agility, and instant power response—representing a new era in Lamborghini performance.

Exquisite Exterior Design

The White finish enhances the Revuelto's futuristic design, sculpted for aerodynamics and visual impact. Distinctive features include Y-shaped LED lights, carbon fibre elements, central exhaust outlets, and sharp angular lines that embody Lamborghini's signature DNA. Every panel reflects precision engineering and bold artistry.

Luxurious and Sophisticated Interior

Inside, the Black and White leather interior offers a perfect fusion of race-bred ergonomics and modern luxury. The cockpit features three digital displays, forged carbon fibre trim, and hexagonal stitching, creating a dynamic and futuristic feel. The Revuelto's cabin is designed to immerse the driver in total control, comfort, and exclusivity.
