2018 Rolls Royce Dawn Mansory – The Ultimate Driving Machine

Unrivalled Luxury and Performance

Welcome to Exotic Cars Dubai, your premier destination for the world's most exclusive supercars and luxury vehicles. We are proud to present this rare and captivating 2018 Rolls Royce Dawn Mansory Edition, a bespoke convertible that redefines open-top motoring. This pre-owned collector's edition features a pristine White exterior paired with an exquisite Red + Black interior, enhanced by Mansory carbon fibre accents and signature custom detailing.

Incredible Power and Speed

The Dawn Mansory is powered by a 6.6-liter twin-turbocharged V12 engine, producing a commanding 715 horsepower and 738 lb-ft of torque—a significant boost over the standard Dawn. It propels from 0 to 60 mph in just 4.0 seconds, offering seamless acceleration and refined power delivery. Mansory's tuning ensures heightened responsiveness, while maintaining Rolls-Royce's hallmark smoothness and sophistication.

Exquisite Exterior Design

This White Mansory edition is instantly recognizable for its aggressive carbon fibre body kit, sculpted front bumper, rear diffuser, and custom alloy wheels that combine performance aerodynamics with striking aesthetics. The blacked-out grille and Mansory badging amplify its exclusivity, ensuring this convertible commands attention wherever it goes.

Luxurious and Sophisticated Interior

Inside, the Red and Black two-tone cabin embodies bespoke craftsmanship. The handcrafted leather upholstery, carbon fibre trim, and Mansory-embroidered headrests highlight unparalleled attention to detail. The convertible soft-top retracts silently, transforming every journey into a celebration of open-air luxury.
