Unrivaled Luxury and Performance

Welcome to Exotic Cars Dubai, your premier destination for the world's most exclusive supercars and luxury vehicles. We are proud to present this timeless 2002 Ferrari 360 Spider, a masterpiece of Italian engineering that captures the pure spirit of open-top driving. This pre-owned classic features a sleek Silver exterior paired with a sporty Red and Black interior, highlighted by handcrafted Ferrari details and F1 heritage.

Incredible Power and Speed

The Ferrari 360 Spider is powered by a 3.6-liter naturally aspirated V8 engine, delivering 400 horsepower and 275 lb-ft of torque. Mated to Ferrari's F1-style 6-speed automated manual transmission, it accelerates from 0–60 mph in just 4.5 seconds, reaching a top speed of 180 mph. The lightweight aluminum chassis and mid-engine layout ensure razor-sharp handling and an exhilarating connection between car and driver.

Exquisite Exterior Design

Finished in Silver, the 360 Spider showcases a timeless design with flowing lines and aerodynamic sculpting. The retractable soft-top roof, five-spoke alloy wheels, and quad exhaust system create a balance of elegance and aggression. The design remains one of Ferrari's most iconic silhouettes, admired by collectors and enthusiasts alike.

Luxurious and Sophisticated Interior

Inside, the Red and Black leather cockpit reflects Ferrari's passion for motorsport and craftsmanship. The minimalist dashboard, aluminum accents, and F1-inspired paddle shifters immerse the driver in a pure racing environment while maintaining comfort and refinement. Every element is meticulously designed for precision and pleasure.
