Unrivalled Luxury and Performance

Welcome to Exotic Cars Dubai, your premier destination for the world's most exclusive supercars and luxury vehicles. We are thrilled to present this stunning 2021 Ferrari Portofino M, a convertible masterpiece that embodies the perfect blend of Italian design, performance, and sophistication. This lightly used example features a radiant Silver exterior paired with an elegant Red interior, highlighted by carbon fiber accents and bespoke Ferrari craftsmanship.

Incredible Power and Speed

At the heart of the Portofino M lies a 3.9-liter Twin-Turbocharged V8 engine, delivering an exhilarating 612 horsepower and 561 lb-ft of torque. Paired with a refined 8-speed dual-clutch transmission, it propels the car from 0–60 mph in just 3.4 seconds, achieving a top speed of over 199 mph. The new “M” (Modificata) designation represents Ferrari's evolution in performance and comfort, offering razor-sharp dynamics with GT-level refinement.

Exquisite Exterior Design

The Silver exterior enhances the car's sculpted, aerodynamic lines, emphasizing Ferrari's fluid design language. The retractable hardtop roof, 20-inch forged alloy wheels, and carbon ceramic brakes add both beauty and functionality. From its iconic front grille to the flowing rear haunches, every angle of the Portofino M exudes elegance and aggression.

Luxurious and Sophisticated Interior

Inside, the Red leather cabin provides an atmosphere of Italian artistry and performance-driven design. The dual-cockpit layout, digital instrumentation, and Ferrari's signature F1-style steering wheel immerse the driver in control and comfort. High-quality materials, carbon fiber inserts, and contrast stitching reflect the craftsmanship that defines Ferrari's legacy.
