2024 Lamborghini Huracan Sterrato – The Ultimate Driving Machine

Unrivalled Luxury and Performance

Welcome to Exotic Cars Dubai, your destination for elite supercars and luxury vehicles. Presenting the 2024 Lamborghini Huracan Sterrato, a radical evolution of the iconic Huracan engineered for both road and adventure. This rare edition supercar features a head-turning Neon Green exterior paired with a Black + Green interior, designed for those who seek thrill beyond the tarmac.

Incredible Power and Speed

The Huracan Sterrato is powered by a 5.2L naturally aspirated V10 engine, producing 602 horsepower and 413 lb-ft of torque. It accelerates from 0–60 mph in just 3.4 seconds, offering the raw power and sound of Lamborghini's heritage, now enhanced with off-road versatility. Its advanced all-wheel-drive system and raised suspension ensure peak performance across any terrain.

Exquisite Exterior Design

Finished in an electrifying Neon Green, the Sterrato boasts reinforced wheel arches, roof-mounted air intake, and matte black cladding that give it a rugged yet exotic appeal. The LED light pods, forged wheels, and carbon fibre accents complete its distinctive, adventure-ready aesthetic.

Luxurious and Sophisticated Interior

Inside, the cabin features Black and Green Alcantara upholstery, racing bucket seats, and digital instrumentation optimized for off-road mode. Lamborghini's bespoke craftsmanship ensures luxury without compromise—every stitch echoes precision and passion.

Explore Our Collection at Exotic Cars Dubai

At Exotic Cars Dubai, we curate only the most exceptional supercars and limited-production vehicles. Each model undergoes thorough inspection to meet our uncompromising standards of excellence.
