2025 Lamborghini Urus SE – The Ultimate Driving Machine

Unrivaled Luxury and Performance

Welcome to Exotic Cars Dubai, your premier destination for the world's most exclusive supercars and luxury vehicles. We are proud to present this exceptional 2025 Lamborghini Urus SE, a groundbreaking evolution of Lamborghini's iconic Super SUV. This brand-new model features a bold Orange exterior paired with a refined Black interior, highlighted by upgraded trim details, advanced technology, and Lamborghini's latest design language.

Incredible Power and Speed

The 2025 Urus SE is engineered for those who demand electrifying power paired with modern hybrid efficiency. Beneath the hood lies a cutting-edge plug-in hybrid twin-turbo V8 powertrain delivering an extraordinary 789 horsepower combined output. It accelerates from 0 to 60 mph in just 3.4 seconds, with a top speed of over 193 mph. Enhanced suspension tuning, improved aerodynamics, and an upgraded battery system deliver sharper performance and smoother overall dynamics.

Exquisite Exterior Design

With its futuristic styling and muscular proportions, the 2025 Lamborghini Urus SE stands out as a truly commanding presence. The Orange finish is complemented by newly redesigned aerodynamic elements, refined LED lighting signatures, sculpted intakes, and lightweight alloy wheels. Elegantly aggressive, this SUV is engineered to be admired from every angle.

Luxurious and Sophisticated Interior

Inside, the cabin showcases a perfect blend of performance-driven design and high-end luxury. The Black upholstery surrounds Lamborghini's reimagined dual-screen digital cockpit featuring advanced infotainment, driver-focused controls, and refined connectivity options. Premium materials, aluminum trim, and ambient lighting create an atmosphere that is both sporty and luxurious.
