2024 Porsche 911 GT3 RS Weissach – Nardo Grey Exterior, Black Interior

High-Performance Engineering Meets Iconic Design

The 2024 Porsche 911 GT3 RS Weissach represents the pinnacle of Porsche's track-focused engineering. Its Nardo Grey exterior and sleek black interior combine aggressive styling with understated elegance, making it a standout supercar.

Powerful Naturally Aspirated Engine

Equipped with a 4.0-litre naturally aspirated flat-six engine, the GT3 RS Weissach produces over 518 horsepower, delivering blistering acceleration and exceptional handling. Lightweight construction and advanced aerodynamics ensure superior cornering and stability at high speeds.

Driver-Focused Interior

Inside, the black interior focuses on the driver, with sport seats, carbon-fibre elements, and intuitive controls that enhance the overall driving experience. Precision craftsmanship ensures comfort without compromising performance.

Advanced Features and Weissach Package

The Weissach package adds extensive carbon-fibre components, reducing weight and further enhancing performance. State-of-the-art suspension, brakes, and aerodynamics guarantee maximum agility on both road and track.
