2007 Lamborghini Murciélago LP640 for Sale in Dubai

Legendary Performance and Engineering

The 2007 Lamborghini Murciélago LP640 is a true Italian supercar icon, powered by a naturally aspirated 6.5-litre V12 engine producing 640 horsepower. It rockets from 0–100 km/h in just 3.4 seconds, offering an unmatched driving thrill. This Lamborghini combines raw power with precise handling, making every drive an unforgettable experience on Dubai's streets or highways.

Bold and Timeless Exterior

Finished in the exclusive Nardo Grey, the Murciélago LP640 commands attention with its low, wide stance and sharp aerodynamic lines. The signature scissor doors, aggressive front splitter, and rear diffuser highlight the car's performance pedigree. Every angle emphasises speed, luxury, and Lamborghini's unmistakable design philosophy.

Driver-Focused Black Interior

The cabin features a fully black interior with premium leather and Alcantara, designed to immerse the driver in pure performance. Ergonomically crafted, the seats provide excellent support during high-speed cornering, while the intuitive controls ensure that the car responds seamlessly to every command.

Advanced Features and Handling

Equipped with all-wheel drive, a six-speed manual or automated transmission option, and advanced suspension, the Murciélago LP640 delivers exceptional stability and road grip. The combination of engineering excellence and thrilling performance makes this supercar a collector's dream.
