Moreover, the seven-speed automatic transmission ensures rapid and precise gear shifts, allowing drivers to experience pure performance with complete control.

Timeless Silver Exterior Design

Finished in elegant silver, the SLS AMG highlights its long bonnet, wide stance, and unmistakable proportions. Most notably, the iconic gullwing doors define its dramatic presence and pay tribute to Mercedes-Benz racing heritage. Furthermore, the sculpted bodywork enhances aerodynamics while reinforcing its bold and aggressive character on Dubai's roads.

Sport-Focused Black Interior

Inside, the black interior blends luxury with performance-driven design. Premium leather upholstery, aluminium accents, and a driver-focused cockpit create an immersive atmosphere. In addition, the supportive sports seats provide comfort during long drives while maintaining stability under dynamic conditions. Every detail reflects AMG craftsmanship and attention to performance.
