2026 BMW X6 M Competition for Sale in Dubai

Powerful Performance and Engine

The 2026 BMW X6 M Competition features a 4.4-litre V8 engine producing 700–800 horsepower, delivering exhilarating performance for both city and highway driving. Its automatic transmission ensures rapid and seamless gear shifts, while advanced M-tuned suspension and dynamic driving modes provide precision handling. With only 1,000 km, this SUV offers a like-new driving experience.

Bold and Dynamic Exterior

Finished in a striking green exterior, the X6 M Competition exudes confidence and style. Its sporty silhouette, aggressive front fascia, and muscular contours highlight BMW's signature M design. Aerodynamic lines and large alloy wheels enhance both performance and visual appeal.

Luxurious Tan and Black Interior

Inside, the cabin features a premium tan and black interior, combining luxury with sport-focused ergonomics. Advanced infotainment, high-quality materials, and supportive seats provide comfort during every journey. Every detail is designed for driver engagement and passenger satisfaction.

Advanced Features and Comfort

This GCC-specification model includes cutting-edge technology, M Performance features, and premium connectivity systems. From climate control to driver-assist options, the BMW X6 M Competition balances high performance with convenience and safety, making it ideal for enthusiasts seeking both speed and luxury.
