TAILOR MADE
ISPIRAZIONI

This image shows a close-up of a red car's door sill area. A black carbon fiber trim plate is installed on the sill, featuring the text "TAILOR MADE" in large, bold, white capital letters, and "ISPIRAZIONI" in smaller, white capital letters below it, separated by a thin white horizontal line. The trim plate has a textured carbon fiber pattern and is flanked by two sets of three horizontal grooves. The surrounding car body is a vibrant red, and a black plastic door sill plate is visible above the trim.
