Portofino **M**

A close-up photograph of a car's interior door panel. The panel is primarily covered in smooth brown leather. A horizontal strip of perforated leather is visible, bordered by orange stitching. A silver-colored trim piece runs along the bottom edge of the door. A 'Portofino M' badge is mounted on the leather, with 'Portofino' in a white script font and 'M' in a red block font. To the right, a circular air vent with a silver ring is partially visible.
