2025 Porsche 911 Carrera Cabriolet for Sale in Dubai

Timeless Porsche Design with Open-Top Freedom

Discover this distinctive **2025 Porsche 911 Carrera Cabriolet for sale in Dubai**, presented in sophisticated **Shade Green** with an elegant **Ivory and Blue interior**. Showing just **3,000 km**, this beautifully configured 911 combines the unmistakable design of Porsche's legendary sports car with the freedom and enjoyment of open-top driving.

Few sports cars have maintained such a recognisable identity across generations as the Porsche 911. The Carrera Cabriolet preserves those iconic proportions while introducing contemporary technology, everyday usability and modern performance. With its automatic transmission and 3.0-litre flat-six engine, this example offers the versatility to be enjoyed regularly rather than reserved exclusively for special occasions.

For buyers searching for a **Porsche 911 Carrera Cabriolet for sale in Dubai**, this particular car stands apart through its unusual colour combination and desirable specification, including **wood interior trim, sport exhaust and Bose audio**.

Distinctive Shade Green Exterior

The **Shade Green exterior** gives this 911 Carrera Cabriolet an individual and sophisticated appearance. Rather than choosing a conventional sports-car colour, this specification complements the flowing shape of the 911 while giving the vehicle a more exclusive character.

Classic Porsche design cues remain immediately recognisable, from the rounded front profile and sculpted wings to the sweeping roofline and muscular rear proportions.

As a Cabriolet, the character of the vehicle can be transformed by lowering the roof and enjoying an open-air driving experience. This makes the 911 particularly appealing in Dubai during the cooler months, when its convertible configuration can be enjoyed to the fullest.

Ivory and Blue Interior with Wood Trim

Inside, the **Ivory and Blue interior** creates a sophisticated contrast with the Shade Green bodywork. The lighter Ivory elements give the cabin an airy, premium character, while the Blue detailing adds individuality to the specification.

One of the most distinctive features is the **wood trim interior**. While carbon fibre and aluminium are common choices in modern performance cars, wood trim introduces a more refined grand-touring character and works particularly well with this vehicle's elegant exterior and interior colour

palette.

The result is a Porsche 911 specification that feels luxurious and individual without losing the driver-focused atmosphere for which the model is known.

Bose Audio and Sport Exhaust

This Carrera Cabriolet is also equipped with a **Bose audio system**, providing a premium listening experience whether the roof is raised or lowered. For drivers who would rather listen to the car itself, the **sport exhaust** adds another dimension to the experience. It complements the character of the flat-six engine and reinforces the sporting personality that sits beneath this 911's sophisticated specification.

Together, the Bose system and sport exhaust allow the driver to choose between premium cabin entertainment and a more engaging engine soundtrack depending on the journey.

3.0-Litre Flat-Six Porsche Performance

The live listing confirms a **3.0-litre flat-six engine** paired with an automatic transmission. This configuration maintains one of the defining characteristics of the Porsche 911: its distinctive rear-engined flat-six layout.

The Carrera Cabriolet is designed to balance performance with everyday usability. Precise handling, compact sports-car proportions and responsive performance give it the engaging character expected from a 911, while its comfortable cabin and convertible roof make it equally suitable for relaxed drives.

With only **3,000 km** and warranty listed until **March 2028**, this example presents an attractive opportunity for anyone seeking a low-mileage **2025 Porsche 911 Carrera Cabriolet in Dubai**.
