2025 BMW X5 xDrive40i for Sale in Dubai

Premium Luxury and Everyday SUV Versatility

Discover this impressive **2025 BMW X5 xDrive40i for sale in Dubai**, finished in a crisp **White exterior** and complemented by an elegant **Tan interior**. With **17,000 km**, this GCC-specification luxury SUV combines refined design, confident performance and everyday practicality in one sophisticated package.

The BMW X5 has long been a popular choice for drivers who want the versatility of a premium SUV without sacrificing driving enjoyment. Its spacious cabin, commanding road presence and refined performance make it equally suitable for daily driving in Dubai, longer journeys across the UAE and family use.

For buyers searching for a **BMW X5 xDrive40i for sale in Dubai**, this 2025 example presents an attractive specification with a panoramic roof, desirable colour combination and warranty until September 2030.

Elegant White Exterior

The **White exterior** gives this BMW X5 a clean and contemporary appearance while highlighting the SUV's distinctive proportions. BMW's signature kidney grille, sculpted bodywork and confident stance create a recognisable road presence without compromising the understated character expected from a premium luxury SUV.

The X5's design successfully balances sportiness with sophistication. Its elevated profile provides the commanding appearance SUV buyers appreciate, while carefully shaped body lines and modern detailing give the vehicle a more dynamic personality.

Paired with the contrasting Tan cabin, the White exterior creates a timeless colour combination that works particularly well on the X5.

Tan Interior with Panoramic Roof

Step inside and the **Tan interior** provides a warm and luxurious contrast to the exterior. The lighter cabin colour enhances the premium atmosphere while helping create an inviting environment for both the driver and passengers.

A key feature of this example is its **panoramic roof**. The large glass area brings additional natural light into the cabin and contributes to a more open, spacious feeling, making it an especially attractive feature for passengers.

The combination of premium interior design, generous space and SUV practicality makes the X5 well suited to buyers who require a luxury vehicle that can comfortably handle everyday life without losing its sense of occasion.

3.0-Litre Inline-Six Performance

This **BMW X5 xDrive40i** is equipped with a **3.0-litre inline-six engine** and automatic transmission. The live listing places the vehicle in the 300–400 HP category, providing the strong performance expected from BMW's xDrive40i powertrain.

BMW's xDrive all-wheel-drive configuration adds to the X5's versatility, while the combination of performance and refinement makes the vehicle suitable for everything from urban journeys to longer motorway drives.

With **17,000 km** and GCC specifications, this 2025 example represents an appealing choice for buyers searching for a well-specified **used BMW X5 for sale in Dubai**.
