2025 Mercedes-Benz G63 AMG for Sale in Dubai

Iconic AMG Performance in a Distinctive Green Specification

Discover this exceptional **2025 Mercedes-Benz G63 AMG for sale in Dubai**, presented in a distinctive **Green exterior** with a sophisticated **Black interior**. Showing just **200 km**, this remarkably low-mileage G-Wagon combines the unmistakable design of the Mercedes-Benz G-Class with AMG V8 performance, contemporary luxury and an attractive selection of premium features.

This particular example is equipped with the **Night Package, side steps, wood interior trim and Burmester audio system**, creating a specification that balances the rugged personality of the G-Class with the comfort and craftsmanship expected from a modern Mercedes-AMG.

For buyers searching for a **2025 Mercedes-Benz G63 AMG for sale in Dubai**, this Green and Black example provides a distinctive alternative to the more commonly seen neutral-coloured G-Wagons.

Green Exterior with Night Package

The **Green exterior** gives this G63 AMG a commanding yet sophisticated appearance. The colour works especially well with the G-Class's upright silhouette, prominent wheel arches and unmistakable box-shaped proportions.

Adding further character is the **Night Package**, which introduces darker exterior detailing and creates an effective contrast against the Green bodywork. The combination reinforces the performance-oriented personality of the AMG model while maintaining the timeless design cues that have made the G-Class instantly recognisable around the world.

This example is also equipped with **side steps**, providing a practical addition to the G63's elevated SUV proportions while complementing its purposeful exterior design.

Black Interior with Elegant Wood Trim

Inside, the **Black interior** provides a refined and versatile environment. While many performance SUVs rely heavily on carbon fibre and metallic finishes, this particular G63 features **wood interior trim**, introducing a warmer and more luxurious character to the cabin.

The combination of Black upholstery and wood detailing creates an interesting balance between traditional luxury and modern AMG performance.

The G63 also retains its signature elevated driving position, providing excellent visibility and the commanding feeling behind the wheel for which the G-Class is renowned. Modern technology and premium materials ensure that the cabin delivers a level of refinement appropriate for a flagship performance SUV.

Burmester Premium Audio

A **Burmester audio system** further enhances the interior experience, delivering premium sound throughout the cabin.

Whether navigating everyday traffic in Dubai or heading out on a longer journey across the UAE, the Burmester system adds another dimension to the G63's luxury credentials. It complements the sophisticated Black and wood-trimmed interior and makes the cabin an enjoyable environment for both driver and passengers.

4.0-Litre AMG V8 Performance

Under the bonnet, this 2025 G63 AMG is equipped with a **4.0-litre V8 engine** and automatic transmission. The vehicle is listed within the **500–600 HP category**, delivering the powerful performance expected from the AMG version of the G-Class.

The G63's appeal lies in its ability to combine several very different qualities. It offers the imposing dimensions and robust identity of the traditional G-Class while adding the performance engineering, technology and refinement associated with Mercedes-AMG.

With only **200 km**, this example is especially attractive for buyers searching for a **low-mileage Mercedes-Benz G63 AMG in Dubai**.

Mercedes-Benz G63 AMG for Sale in Dubai

This **2025 Mercedes-Benz G63 AMG for sale in Dubai** offers a desirable combination of Green paintwork, Black interior, Night Package, side steps, wood trim and Burmester premium audio.

Its exceptionally low **200 km** mileage further strengthens its appeal for buyers seeking a nearly new G63 AMG with an individual specification.

Available through **Exotic Cars Dubai**, this G63 AMG forms part of our carefully selected collection of premium German performance vehicles.
