1991 Ferrari Testarossa, The Ultimate Driving Machine

Unrivaed Luxury and Performance

Welcome to Exotic Cars Dubai, your top spot for the world's most exclusive supercars and luxury vehicles. We proudly offer this exceptional 1991 Ferrari Testarossa, one of the most iconic supercars of its time. This collector-grade classic features a timeless red exterior and a refined black leather interior, capturing the essence of 90s Italian automotive design and performance.

Incredible Power and Speed

The Testarossa is powered by a naturally aspirated 4.9-liter flat-12 engine, which produces 385 horsepower and 490 Nm of torque. It accelerates from 0 to 100 km/h in 5.3 seconds and reaches a top speed of 290 km/h. With a 5-speed gated manual transmission, it provides an authentic, analog driving experience that remains thrilling today.

Exquisite Exterior Design

The red finish highlights the Testarossa's distinct silhouette, featuring its wide stance and signature side strakes that became a Ferrari design hallmark. Exterior details include pop-up headlights, integrated side mirrors, rear engine louvers, and five-spoke Ferrari alloy wheels. Its bold proportions and low profile make it instantly recognizable as a 90s supercar icon.

Luxurious and Sophisticated Interior

Inside, the black leather cabin creates a driver-focused space with pure Italian style. Features include hand-stitched leather upholstery, a classic Ferrari gated shifter, analog gauges, and a minimalist dashboard layout. The craftsmanship reflects Ferrari's dedication to combining performance with elegance, making every drive an event.
